

CWA of California Update **February 16, 2005**

Events this week!

Greetings!

As you know, [AB 19](#), the "Gender Neutral Marriage" bill, has been introduced in the State Assembly and will begin the committee hearing process soon. Campaign for Children and Families is sponsoring a "Keep Your Hands Off Marriage" tour to oppose and expose this bill as an attack on the institution of marriage and the people's vote for Prop 22 in 2000 supporting traditional marriage.

There are news conferences planned throughout the state, with two scheduled for San Diego on Saturday, February 19 as follows:

- 10:00 Escondido
Del Dios Middle School
1400 W. Ninth Street (two block east of 15 Frwy at West Valley Parkway)
- 12:00 San Diego
County Administration Center
1600 Pacific Highway (between airport and downtown area)

Please consider attending one of these events to stand for marriage. If you do attend and wish to bring a sign, please make the message tasteful, such as:

Oppose AB 19
NO to "homosexual marriage licenses"
Keep your hands off marriage
Marriage is for a man and a woman
Protect the vote of the people
Respect my vote for marriage
1 man + 1 woman = marriage
Protect natural marriage
Respect Proposition 22, the people's vote
