Dear Mmes. Rios and LaRue:

I received your letter inquiring about my district's handling of complaints regarding violations of the federal obscenity laws. While I am not permitted to disclose specifics about investigations, I want to assure your group that I and my staff share your concerns and will review and address any complaints of violations of federal criminal laws brought to our attention. As is the case with all referrals to my office, we will continue to vigorously pursue criminal violations of the federal obscenity laws.

Thank you for your interest.

Very truly yours,
